

PRODUCT FEED OF AU-MEX

A feed is a data file with information about the products we sell.

Since you are one of our most important business partners, we offer you this file for your e-shop.

BY USING IT YOU CAN BENEFIT FROM THE FOLLOWING ADVANTAGES:

- 1** *Complete or partial transfer of AU-MEX e-shop content to your online shop.*
- 2** *Simple installation by your IT specialist.*
- 3** *According to your business focus, you can select only the product categories that are the subject of mutual business cooperation between AU-MEX and your company.*
- 4** *Cost and time savings for creating your own e-shop.*
- 5** *Cost and time savings associated with maintenance.*
- 6** *Certainty of constant updating of prices, documents, descriptions, pictures, technical parameters.*
- 7** *Both, Delivery and Availability feeds monitor stock level of each product and are updated every 30 minutes.*
- 8** *If you sell a product, the risk of no availability is reduced to a minimum.*
- 9** *The refreshment of complete information takes place once a day at 24:00 hours.*
- 10** *Professional data processing.*
- 11** *New products are immediately transferred to your e-shop automatically.*
- 12** *Certainty in trading - you trade with goods that are immediately available from AU-MEX warehouse, you trade at the right prices and under conditions that respect indivisible pack quantities.*
- 13** *You don't have to do anything for any change in the complete price lists. The prices will be automatically corrected at the correct time to reflect the start of the new price list.*
- 14** *The condition for providing the data feed is:*
 - a) *a signed Master Purchase Agreement including a Privacy Policy*
 - b) *a signed Product Data Feed Terms of Use*
